Commercial vehicles and are prohibited.

iii. Competitors must ensure their car is insured for competition use and be able to provide evidence that cover is provided for the event, otherwise they will be required to take out additional Third-Party Cover.

### 3. Driving Standards

This event will take place entirely on public roads; therefore, competitors are reminded that they are at all times subject to the UK Road Traffic act 1969 (as amended). Speed limits (including where applicable national speed limits) should be adhered to at all times during the event.

During the event any section declared as a quiet zone within the event documentation or shown as such in RallyAppLive, any area where a 40 mph or less speed limit applies and all Transport and Neutral sections (unless specifically exempted in the route instructions) MUST be considered a quiet zone and be traversed in as high a gear as possible without the use of auxiliary lights.

**Competitors are required to STOP at all standing give way signs**, regardless of whether their position has (or has not) been included in rally documentation or an approach warning has (or has not) been displayed in RallyAppLive unless specifically exempted in the route instructions, in which case they should be handled in accordance with the highway code.

Organisers may position driving standards observers anywhere on the route to check compliance with these rules and penalties will be applied for non-compliance. (First offence 30 minutes time penalty, second offence exclusion).

Any behaviour that may bring motorsport into disrepute will be considered and appropriate action taken. This may include exclusion from the event and reporting to Motorsport UK for particularly egregious actions. All marshals and event officials are deemed to be Judges of Fact. Any report of rule infringement will be passed to the event Clerk of Course (CoC) and handled in accordance with the event penalties if upheld.

Competitors may dispute any reports with the CoC as per the dispute's rules (clause 8).

In this case the crew(s) are not eligible for overall awards or championship points. If you wish to us enter as a beginner, please contact the organisers.

### 6. Cancellation

The organisers reserve the right to cancel the event unless a minimum of 6 entries are not received by 19.00 on Monday 18<sup>th</sup> March 2024. Any fees received will be refunded.

## 7. Insurance

Vehicles must have a valid motor insurance policy which provides as a minimum, Third Party Liability cover that complies with the Road Traffic Act. This can be either, by extending an existing motor policy to cover the event, or, by purchasing additional cover, providing under the Event Road Section Scheme as an adjunct to an existing motor policy. If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.

If a competitor wishes to purchase additional Road Section cover via the organisers then they can do so prior to the event providing they comply with the following:

- is aged 19 years or over
- has held a full driving licence for a minimum of 6 months
- has no more than 6 points on their licence
- has had no more than 1 fault claim in the last 3 years
- is a named driver on a valid motor insurance policy for the vehicle they are driving
- do not have the Third-Party Extension cover on their existing motor policy
- the vehicle has a valid MOT and taxed for the road, unless exempt from doing so

Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25. Any competitor who falls outside these parameters may be offered cover at equivalent terms or an agreed price, if approval from the Appointed Insurance Broker has been obtained by the event organisers, prior to the event. Approval can be sought by sending an email to [contact@reis.co.uk](mailto:contact@reis.co.uk) and provide the Drivers' name and date of birth, the date they past their driving test and details of any motoring claims and/or convictions.

Additional cover provided by this scheme is only effective whilst the vehicle is actively competing in the event and remains under the control or direction of the event organiser(s). Cover will cease immediately if you are precluded, excluded or retire from the event.

The Event Road Section scheme is provided by Reis Motorsport Insurance and underwritten by First Underwriting Limited.

The basic rate per driver for the Insured event is £30.00

## 10. Equipment

It is recommended to have available to you the following - Specified Map, Romer, Pencils, Eraser, Map Light, Torch, Stopwatch, Watch or Clock, Clipboard, Accurate Trip (For regularity type events).

## 11. Disclaimer

We trust you will enjoy the event but please remember that our aim is to promote a Navigational 12 Car Event NOT a Road Race, so please drive with care and consideration for other road users.

## 12. Format of the Event

The route will be approx. 54 Miles on public roads. The event uses Landranger 1:50,000 maps as described in section 1.1 above. The correct route shall be the shortest route between controls, avoiding blackspots and complying with the route instructions. Maximum lateness to be defined on the time card or final instructions but for example if 15minutes that means if you are more than 15 minutes 59 seconds late at any control you will be outside your total lateness (OTL) and deemed not to have visited the control. All controls will close after the last car is OTL.

## 13. Controls

Controls will be designated as one of the following: (not all control types will be included in this event). Please note all these may or may not use Rally App and may or may not be manned.

- MTC - Main Time Control: located at the start, finish or a re-join point during the event, which the competitor MUST visit. Timed to the previous whole minute or may be signed to the second where the MTC also acts as an RTC .
- STC – Standard Time Control located at the end of a standard section timed to the previous whole minute.
- RTCs – Regularity Time Control located at the end of a regularity section timed to the second.
- IRTCs – Intermediate Regularity Time Control located at a secret point within a regularity section timed to the second.
- NTC - Neutral Time Control: located at the end of a neutral section, timed to the previous whole minute (no lateness penalty will apply other than OTL).
- TTC - Transport Time Control: located at the end of a transport section timed to the previous whole minute.
- PC - Passage Control, an untimed manned / unmanned check.
- RC - Route Check, an unmanned check, where the crew must stop and record information on rally app live, they may be code boards like a registration plate, signposts, road signs or any other type of information the organisers deem applicable. Record the required information in accordance with the Rally app live instructions. You must remain stationary until the green "Go" screen appears on Rally app live.

## 14. Timing

On regularity sections, controls are timed to the second with distances measured to a tenth of a mile. The average speed for all sections will not be any higher than 30MPH, may vary and will be given in your handout instructions or on the timecard. The organisers times and mileage will be deemed to be correct.

Intermediate Time Control controls are 'secret', the exact location will not be given in the route instructions. They will be located on the correct route. You must maintain the correct average speed as given in the instructions between each regularity control and you will be automatically timed when you stop in the control area. You are not allowed to recover time between IRTC's without penalty.

## 15. Disputes

All event penalty/results disputes must be raised to the event Clerk of Course within 24 hours of provisional results being posted. After that time, results will be declared final, and no further issues will be considered.

Any competitor deemed to be harassing any marshal or event official regarding any aspect of an event will receive a warning to stop from the CoC. Any further harassment may be punishable by exclusion from the results and loss of any related championship points.

(The championship co-ordinator has the final say in any championship scoring dispute.)

## 16. Officials

Secretary /Clerk of Course: SIMON BENTLEY, 07584 109 733 – No calls after 2100hrs please.
