Event Supplementary Regulations

Welcome to the **MUNKBRIDGE HOMES Targa Rally**.

We are delighted to have the support of our new event sponsor for what we hope will be an enjoyable day's motorsport.

With a fresh young new organising team, that do compete, we look to bring you a challenging event back into the Targa rally calendar.

For several years now we have raised funds through the running of various events to support WNDLR Air Ambulance, and again this will be no different. So, remember when filling out your entry, please consider including a donation to this worthwhile cause, it will be greatly appreciated.

We look forward to seeing you all, old friends & new on the day and would like to take this opportunity to wish you all an enjoyable and safe days sport.

[8] Route

The route will comprise a total of approximately 30 test miles over 8 tests, held on airfield perimeter tracks and runways. As the route is entirely on private land tax and insurance are not required. The route will be clearly defined by test diagrams produced by Motorsport Diagrams and/or any other information allowing competitors to comply with NCR13.1.9, these will be issued at signing on. All the organiser's times and distances will be deemed to be correct having been established in accordance with NCR 13.1.8

All tests must be visited in numerical order as shown on the event timecards. The maximum permitted lateness is 15 minutes at all MTC only.

Walking or cycling the tests is not permitted – penalty exclusion.

Fuel and water are not available at the venue. Refuelling must be from approved containers and be carried out in the refuelling area, this will be shown on the site plan, failure to adhere to this is exclusion.

[9] Technical

All vehicles must comply with the 2026 Motorsport UK NCR chapter 7 and specific regulations for targa rallying (13.11C), competitors must produce evidence of a current MOT if eligible, which will be checked at scrutineering.

Red reflective warning triangles, SOS/OK board, High visibility vest or jacket, and spill kit **MUST** be always carried (NCR13.11C.2.1) A first aid kit is advised.

Servicing (NCR13.11C.1.1e) can only be done with tools and spares carried in the competing car through scrutineering. The one exception is for a jack, axle stands and fuel which may be carried in an accompanying vehicle. Tools and spares carried through scrutineering can be left in the holding area whilst you complete the tests. Competitors are required to use a groundsheet.

In-Car/on-Car Camera's, mobile phone cameras or dash cameras will not be allowed – Penalty is exclusion.

NCR Ch13.app3.12.1C Competitors must not carry any form of Intercom (ie any method of voice amplification) or any radio transmitting device. Exceptionally mobile telephones are Permitted in the case of an emergency. Failure to conform will be penalised by Disqualification from the Event. An additional noise test may be carried out at the start of the event and over the course of the day.

[10] Tyres

NCR13.11C.4.1. The organisers understand that due the nature of the surface (Airfield Concrete) that tyre wear maybe be a concern, therefore a maximum of 8 tyres per competing car will be allowed, which must be as per Motorsport UK Targa Road Rally regulations.

[11] Identification

Competitors will be identified by numbered rally plates, these must be affixed, one on the bonnet, and one on the rear window, orange numbers must be displayed on both rear side windows. These will be provided by the organisers at signing on all numbers must be removed before driving on a public road.

Driving, walking or cycling the test before/whilst competition commences	Disqualified
Reversing on a test (more than a cars length)	Disqualified
Small corrections, e.g. three point turns at tight corners are allowed. However if you make a mistake during a test, e.g. go the wrong side of a cone / go the wrong way by more than a notional car's length, DO NOT attempt to retrace your route, you will already have been penalised with the maximum penalty. Continue through the test and complete it. CARE!! It may be dangerous to reverse on a test.	

[20] Results

Provisional results will be published as soon as possible following the end of the event and will be available on the RallyResults website. Results will be made final as soon as possible. Queries must be submitted in accordance with the NCRs of Motorsport UK. The Clerk of the Course reserves the right to amend, cancel any section, or the penalties at a control or check, (Force Majeure notwithstanding), should it be deemed fair to do so should the need arise. Ties will be decided in favour of furthest cleanest, and in the event of this not breaking the tie, by lowest engine capacity.

[21] Marshals

Without the generous support of the marshals, we would not have an event. Whilst we are not insisting that each competitor brings a marshal it would be an enormous help if you could ask your friends and club colleagues if they could support our event. If you would like to marshal, please contact the chief marshal:

Tony Mytton M. 07775 935900 (before 9pm) or E. marshal@mid-derbyshiremc.co.uk

[22] Test Diagrams and Timecards

These will be supplied at signing on along with rally plates and numbers. The organisers mileage is deemed correct.

[23] Damage Declaration

Competitors will be required to submit their Damage Declaration upon completion of the event or after retiring, this must be handed in at the final MTC or to the Event Secretary in Rally HQ, failure to submit the form within 72 hours of the event may be penalised by a fine of £100.00 reported to Motorsport UK. NCR Ch.13 Ap. 5 Art.6.4 applies. This form will also be a declaration that they have not been involved in any incident resulting in damage to private property or injury to persons or animals, or alternatively giving details of any such incident where damage or injury has occurred. Competitors will be expected to contribute towards any cost or claims incurred with respect to damaged caused to any public or private property and will have to pay the excess on any insurance claim and by signing on to the event you accept this responsibility.

[24] Other information

Unfortunately spectators are not allowed at the venue, the best way to see all the action is to volunteer as a marshal, for details contact the Chief Marshal.

Crews failing either Noise Test or Scrutineering will not be permitted to start the event and will not be refunded their entry fee.

Competitors are advised that their information supplied on the entry form will be held on a computer and used for the administration of the event. Details may also be passed on to other event organisers for the purpose of the circulation of event publicity or regulations. If you do not want your details circulated, please indicate this on the entry form.

Catering will be available on site.
